Drop off – cadets are to be dropped off at Camp Wright at 0845h. **NEW:** Cadets will be dropped off and picked up in the parking lot. (first driveway on your left) Before you leave we must inspect each cadet to make sure they are properly equipped for the day.

All cadets should arrive dressed in their FTU. For cadets that have not received their full FTU, please wear civilian clothing. As the weather gets colder cadets will be expected to dress in layers (ie. Thermal underwear)

What to bring with you – Water Bottle, Whistle, snacks, mask, back pack and extra clothing. (warm mitts, cadet toque, civilian parka) It is **mandatory** that every cadet bring the proper items and clothing for the day, if they are not equipped they will not be able to participate in the activities.

Lunch will be provided.

Pick up– cadets are to be picked up at 1600h. If carpooling is required, please let squadron staff know and fill in the carpooling section on the parental consent form.

A parental permission slip has been attached to this memo. Complete the second page and bring with you the day of the activity.

IMPORTANT: If you cannot attend this training day, please let us know ASAP by completing the Report an Absence on the website.
